Vol. 78 No. 5

+++++ EDITORIAL +++++ by John Kellas

I was hoping to report to you progress concerning the proposed Philatelic Sales Center at Rochester's new Main Post Office (Henrietta). There is a philatelic clerk window at the Main Post Office which is open from 2:00 pm to 5:00 pm Mon. thru Fri. This window is fairly well stocked with current U.S. issues and philatelic kits. There is a limited supply of the Cook stamp and experimental 13¢ penny stamp. The Customer Service Dept. at the main Post Office is actively engaged in supporting several Ben Franklin Stamp Clubs in the Rochester area. Since its conception in early March when the Postmaster spoke at our meeting, the coveted "Philatelic Sales Center" status seems to be tied up in Postal bureaucratic indecision. Rochester is not official listed as a Philatelic Sales Center. RPA members can help solve this problem. A letter addressed to the Post Master General, Washington, D.C. and a copy to Rochester's Postmaster requesting an official confirmation that Rochester has a full service Philatelic Sales Center and if this is not so what is the problem or obstacle in conferring Philatelic Sale Center status? Actually any letter supportive of a Rochester Philatelic Sales Center would be helpful. The Rochester Post Office seems to be unable to resolve the question of a Rochester Philatelic Sales Center. If we and the public would like a Philatelic Sales Center then the power of the pen will perhaps solve this problem. Your voice in Washinton will be heard!

+++++ MAY MEETINGS +++++

May 11<sup>th</sup> - The Rochester Philatelic Association "Open House"

During ROPEX-78 more than 80 requests were made by show visitors for more information about our club.

A letter was sent out to those visitors briefly describing the RPA and its activities plus an invitation to the RPA "Open House" meeting, May 11<sup>th</sup>. It is hoped that all RPA members will also invite guests interested in stamp collecting. Rpa member can also help out with the "Open House" program by bring with them a part of their philatelic material to display at the meeting; perhaps a favorite cover or stamp, a small six page exhibit,

books, or anything else to show at the meeting. Name tag will be supplied to members at the meeting. PLEASE COME, THE RPA NEEDS YOUR HELP IN MAKING THIS "OPEN HOUSE" A BIG SUCCESS !

May 25<sup>th</sup> - Stamp investing vs. stamp collecting? Some A B C 's of careful stamp investing will be the topic to which a special speaker will address at this meeting. All stamp collectors are potential investors and should be familiar with risks and rewards of stamp investing. Learn about this complex area of philately, be at this meeting!
